Kristine – I'm working on organizing figures and photos – will get this report to you in the morning.
Just wanted to give you a preview of how we do this . . . of course it always evolves . . . This follows
the format Alison has used several times recently in analyzing JD's for sites for RCRA, superfund, etc .

apologies for being so close to the end of year deadline. . . . hey . . I had a busy year . . .
